CHILLED

You can enjoy drinking sake with wine glasses to expand not only the taste, but the aroma as well. Due to the fruity aroma that comes from ginjo and daiginjo style sake, Wine glasses greatly enhance their sweetness and UMAMI. Try it out! You will be amazed and satisfied.

Recommended Dishes

Despite its smooth & delicate characteristics, this sake also has a subtle, buttery backbone which allows this Sake to be surprisingly food friendly. Best with light to thick flavored food, or thicker-flavored Japanese dishes.
