You can enjoy drinking sake with wine glasses to expand not only the taste, but the aroma as well. Due to the fruity aroma that comes from ginjo and daiginjo style sake, wine glasses greatly enhance their sweetness and umami. Try it out! You will be amazed and satisfied.

Recommended Dishes
Despite its smooth & delicate characteristics, this sake also has a subtle, buttery backbone which allows this sake to be surprisingly food friendly. Best with light to thick flavored food, or thicker-flavored Japanese dishes.
(ex.) Freshwater Eel, Dishes with Cheese or Cream Sauce, Fried Food (tempura and karaage), Kushi-yaki (grilled skewers with meat and vegetables).

This Kurosawa Daiginjo Premium Reserve was specially brewed to celebrate the 10th Anniversary of Kurosawa Brewery’s introduction to the United States.

Because of the success of the product, we will continue its sales after the anniversary year, but in limited production.
